Experienced and passionate airline pilot with 10+ years of experience serving as both captain and instructor of commercial aircraft. Possesses strong, proven leadership skills with a history of effectively mentoring students and co-pilots. Open to permanent relocation within North America.

Work experience

Pilot

Sep 2020 - Present

ABC Airlines, Philadelphia, PA

- Conduct a minimum of twice daily preflight inspections and reviews of aircraft maintenance status.
- Thoroughly check weather conditions, as well as airports and other facilities along the planned route.
- Accurately complete post-trip paperwork and make adjustments to aircraft manuals and navigation charts as necessary.

Pilot - First Officer

Jul 2016 - Sep 2020

XYZ Airlines, Philadelphia, PA

- Assumed captain duties over 25 times due to captain incapacitation or unavailability.
- Maintained flight proficiency and knowledge of aircraft systems by attending ground and simulator training.
- Greeted boarding passengers, answered questions, and assisted with baggage and miscellaneous issues as needed.

Flight Instructor

Apr 2014 - Jul 2016

Arlon's Flight Center, Philadelphia, PA

- Assessed students' operation or understanding of aerodynamics, radio operation, aircraft navigation, and emergency procedures.
- Coordinated and executive student instruction schedules five days per week.
- Instructed students in simulator, classroom, and live flight environments.
